NDC CODES: 71884-022-02, 71884-022-12

# 1000ml SANITIZING FOAM + SOAP DISPENSERS

Disinfect & Shield automatic hand sanitizer & sanitizing soap dispensers do NOT require a bag refill which simplifies the process for refilling the station. Each dispenser provides a pre-measured amount of liquid or foam sanitizer per application - giving approximately 2000 uses before someone must pour more liquid into the machine. The sight glass indicates the level of sanitizer remaining. The dispenser comes with or without a stand.

- Pre-measured Hand Sanitizer or Sanitizing soap per use
- Up to 2000 uses per refill
- No refill bags necessary, just pour the liquid and start using it

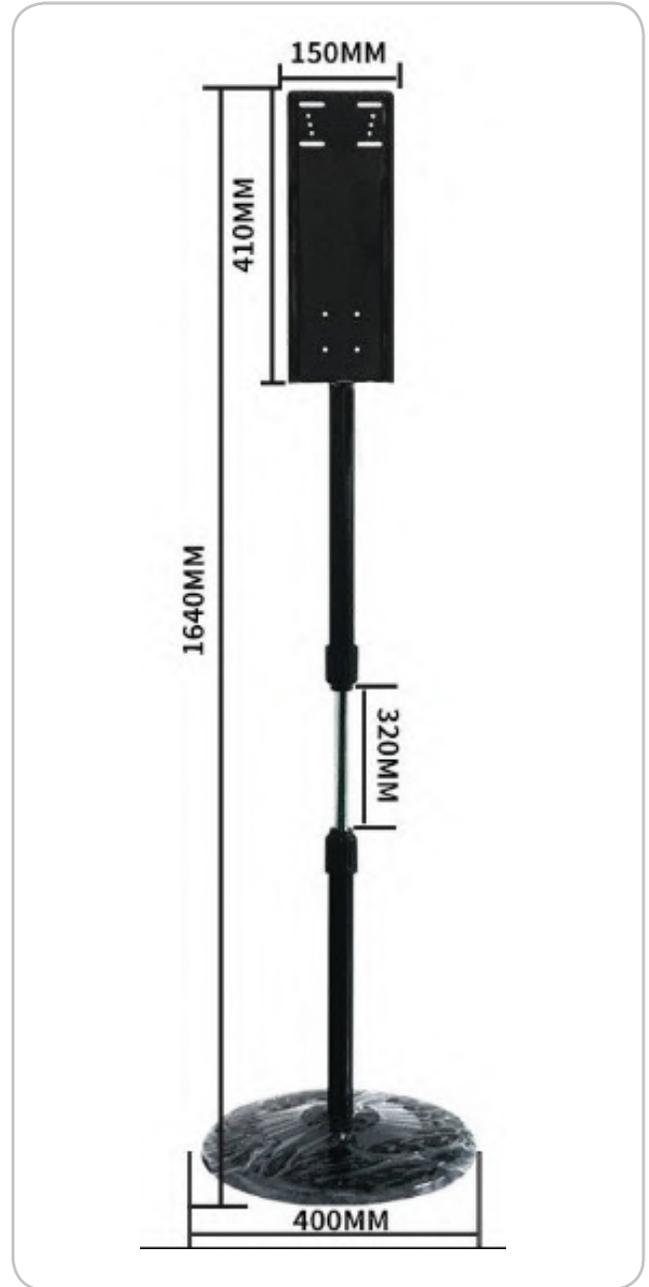

- Attaches to any wall in minutes
- Available floor stand option
